

Shubhkant Dwivedi

Software Engineer

Indore, India | shubhdwivedimi@gmail.com | 6268133546 | LinkedIn | GitHub | Portfolio

Professional Summary

Software Engineer with 2 years of experience working on C#, .NET, Azure, SQL and Power Platform. Skilled in developing robust scalable software solutions, problem-solving, and collaborating with high-performing teams. Strong communicator with a commitment to continuous learning and professional growth.

Experience

Digi2L | Software Engineer

August 2024 - Present

Indore, India

- Contributed to the implementation of an MVC application using C#, .NET, and SQL to support the order-taking process.
- Collaborated with a team to develop a platform for the back-office team, leveraging Web API, .NET, C#, and SQL to streamline operations and improve data management.

Insight Enterprises | Cloud Engineer - 1

Oct 2022 – June 2024

Noida, India

- Collaborated on an end-to-end application utilizing C#, .NET, SQL, Entity Framework Core, Postman and Azure Services. Collaborated with the team for the required bug fixing and technical documentations.
- Collaborated in an end-to-end project via Azure integration services, authored ARM templates to support deployment, and embedded AI in an ASP.NET MVC application to facilitate the semi-automated schema generation for Azure services.
- Contributed to Pre-Sales activities, delivering customer Wow experience and developed applications utilizing Power Portals, D365, Data Verse, Model-Driven and Canvas apps integrated with SharePoint and Power Automate.

Codeate | Frontend Developer Intern

May 2021 - Oct 2021

Remote

- Worked on development of a responsive site developed in WordPress, worked towards meeting the requirements of project and expectations of the end-users. Customized the site elements with CSS and integrated various plugins for added functionality and better site experience.

Education

Amity University Madhya Pradesh, Gwalior | Bachelor of Technology

2019 – 2023
